Discover the Difference ...

Kenwood Park Children's Center has provided quality childcare in Montgomery County since 1986. We feel our stability and longevity are the result of creative and artistic programming coupled with a dedicated and loyal staff.

The Whittier Woods Center in Bethesda serves ages two – eleven. At this site, we provide Preschool and Full-Day childcare for children ages 2 – 5 years of age. KPCC's philosophy for this age group is learning through play. Play is essential to the growth and development of children. KPCC also believes art should be part of a child's life so we bring in music and movement taught by specialists from Imagination Stage.

At the Whittier Woods site, KPCC serves as a hub for the Elementary schools in the Walt Whitman Cluster. We provide Before-and-After Care to school age children from Bannockburn, Bethesda, Bradley Hills, Burning Tree, Carderock Springs, and Wood Acres Elementary Schools.

KPCC has programs on site at Gaithersburg, Highland and Stedwick Elementary for infants through four years of age for MCPS teachers and for Before-and-After School Care for students at Rock Creek Valley Elementary.
